Police to Register Bicycles At Halldale All Day Tuesday

By **BILLIE ROBERTSON**
 FA 8-7385

The First Aid class held a luncheon at Normandale last Thursday, May 10. This was held at the close of the meeting in which the final test was taken by 11 women. In the absence of Miss Alice Dunbar, Mr. Hammitt gave the test. The final meeting will be held May 17, at which time certificates will be awarded to those having passed the test.

We are very sorry Miss Dunbar has been ill for so long. She hopes to be back at the playground this week sometime. The children and women have truly missed her.

Don't forget Halldale's PTA meets today at 1:30 in the auditorium. Mrs. Adams will be in charge of the music portion of the program. Child care is furnished.

Representatives from the Los Angeles Police Department will be at Halldale May 22 to license all bicycles. All children must bring his or her bike to school that day or a license cannot be issued to him. The fee will be \$1 and is good for 5 years.

Remember everyone that Halldale is having a paper drive on May 25 from 9 to 1. Call FA 8-5161 to have papers picked up if you need to.

In case some of you did not receive a notice from the school, Mrs. Danky, the principal, has a message to all of you. Some of your children are not crossing at the crossing. For your child's safety, please see that your child goes down to the crossing to the crossing guard. She is there for your child's protection.

Say, I had a surprise the other day when I rode down Harvard Blvd. I had to stop on the corner of 218th St. It finally dawned on me that the stop sign the neighborhood had been working so hard to get had at last been installed. Thanks to the people on that committee.

Mr. and Mrs. Bill Edens of 218th St. have really been doing the entertaining lately. Mildred has had her parents, Mr. and Mrs. C. R. Williams of Coffeyville, Kas., with her for some time on a visit. After many hours of sightseeing Mr. and Mrs. Williams have returned to their home. Soon after this the Edens were surprised with a visit from Bill's two brothers, Dick and Mick from Tyro, Kas. Talk about your gas d d n g around, the Edens, and their two sons Bill and Bob have really been traveling. They showed their company the best time in their lives.

Helen Moore of 218th St. took some "Jobs" to the ice-cream pads last Saturday. The girls reported having a wonderful time. Jobs from all over were at the show, a total of 96 girls.

I heard on the grape vine that Carmen Corral had a nice party at her house some time last week. Not too many details on the party except 10 women enjoyed themselves. After the affair refreshments were served by the gracious hostess.

A very lovely affair took place last Sunday, May 13, when little Arthur Roger Rogers was dedicated at the Redondo Baptist Church in Redondo. Arthur was accompanied by his parents, Mr. and Mrs. Roger Rogers of Plaza Del Amo. To climax this occurrence there were four generations present. Mrs. Mable Rogers, great-grandmother, of Redondo; Mr. Homer, grandfather, of the Strip; Mr. Rogers, the father and, of course, the king of the affair, Arthur himself, who is 4 months old. All four of these families belong to the church and have been dedicated there. An outstanding record I must say. Last week the grandmother of this youngster, Billie Rogers, had a lovely birthday party given in her honor.
